PRESENTATION OF PROPOSED USE OF MUNICIPAL ROAD AID FUNDS AND LOCAL GOVERNMENT ECONOMIC ASSISTANCE FUNDS (COAL SEVERANCE).

Mr. Ripberger reported that the anticipated funds for FY 2010-2011 are approximately \$74,000 less the 3% that will be withheld as ‘insurance’ against possible catastrophic repair needs. The income will come to us net of the 3%. The planned uses for the funds are as follows: \$10,000 for Regular Street Maintenance (patching, dense grade for shoulder repairs, paint for striping and stop bars) and the rest for Contractor Ordinary Expense. Mr. Ripberger noted that this year’s planned Contractor repairs are for Foresthill subdivision and Country Squire subdivision. Work may include installing lateral drain lines on Foresthill, Crescent Pointe and Twilight, and having Rosewood and Linden Hill milled and resurfaced in the next year or two.
