

CITY NEWS

GREETINGS FROM MAYOR COLLETT

For those of you who may not know, the city has recently revamped its website. This is just one of the ways we are trying to keep you informed. Council minutes, ordinances, City events and community events... it's all there! Go to www.crescent-springs.ky.us to get the latest on what is happening!

Wishing you and your household a Happy Thanksgiving and very Merry Christmas!!

Jim

ELECTIONS RESULTS

THANK YOU for showing you care about our city by voting on election day!

The City Council has 2 retiring and 2 new members beginning 1/1/11. A special thanks to Mike Daugherty and Scott Santangelo who have dedicated many hours to our city, each serving on Council for the past 8 years.

The new members are John Goering and Lou Hartfiel. Neither of whom are new to our city. John has served on the Finance Committee in the past and Lou is a past council member, and has been involved with the Veterans Memorial since its inception. We welcome them as they join the incumbents Christie Arlinghaus, Dale Ramsey, Tom Vergamini and Matt Zeck.

SNOW & ICE REMOVAL

Clean Street Policy: When the winter weather hits Crescent Springs, you can count on the Public Service Department's "Clean Street Policy". To make streets as safe and clear as possible for those who live, work, and travel through Crescent Springs, Public Service crews work until all streets are plowed or salted to bare pavement. Major thoroughfares, bridges and hills receive priority, followed by residential streets.

Avoid shoveling snow into the street. Shoveling snow from your driveway into a street that has already been cleared may create safety hazards. Shoveling snow from your driveway into a street that has not been cleared will result in the snow being pushed back onto your driveway by the plow.

When conditions exist that require snow plowing or salting, please move vehicles off the street. This greatly assists service crews in their efforts to keep streets safe and clear. When a snow emergency is declared by the Mayor, (3 inches or more or ice conditions), it is mandatory that all vehicles be moved off the street. (City Ordinance 74.01) Failure to do so may result in a citation and the vehicle being towed. Tune to local radio or TV stations for snow emergency updates. Do not plow snow from a commercial lot into the roadway.

REPORT A PROBLEM OR SUBMIT A REQUEST

859-344-0797 or

publicworks@crescent-springs.ky.us

POLICE NEWS

BUSINESS NEWS

SHOP WITH POLICE AND FIRE PERSONNEL

The Erlanger and Villa Hills Police Departments are once again collecting for their annual Shop with Police and Fire Program. The program is in its 10th year. Collections help those less fortunate children in the area celebrate the holidays. Police and Fire Personnel take the kids shopping and treat them to dinner and snacks along with a visit from Santa. You can help this very worthwhile cause by making a donation at either the Crescent Springs or Villa Hills City Buildings. Happy Holidays.
