FINANCE UPDATE

While headlines continue to highlight the financial struggles of many municipalities, state, and federal government entities, the City of Crescent Springs continues to maintain a strong financial position and a focus on diligence on holding down expenses and maximizing the use of tax dollars. The Finance Committee meets monthly to monitor all financial matters.

Rankin, Rankin & Co., CPA recently performed our annual audit and the results can be found on our website. Go to www.crescent-springs.ky.us Find the menu on the left side, go to Documents and click on Council Minutes and Audit. Scroll down and click on Audited Financials for FYE 6/30/10. (This is a 43 page document.)

PARK RENTALS

Call the office at 341-3017 to schedule the shelter rental this season. An application as well as the park rules and regulations can be found at our website on the Community Park page. Scroll down to the last paragraph.

A huge THANK YOU to Mary Pennington of Ft. Mitchell Interiors, 2514 Hazelwood, for helping pick out paint colors for the City Building foyer. She complimented our existing decor with a new color pallet for the walls. The 1986 wallpaper is coming down and painting is currently in progress. We think you will like our new look.

POLICE NEWS

NEW FACES IN THE POLICE DEPARTMENT

Due to the retirements this past year of Mark Jolly, Greg Aylor, and Ken Stevens, the Police Department has been short staffed. Recently we have hired two new patrolmen to help alleviate this shortage.

Patrolman Scott Russo was hired in July. He spent the next 14 weeks in basic training provided by the Kentucky Department of Criminal Justice Training in Richmond, KY.

Patrolman Adam McGuire was hired in October. Adam came to us from the Airport Police Department and has seven years experience as a sworn police officer. He also is currently being trained by other officers in the field training aspect of our department.

We welcome these two fine young men to the Erlanger Police Department family!
