

## CITY NEWS

### Greetings from Mayor Collett

As Spring comes upon us, I would like to challenge all our residents to become more active in our City: Use the Park, come to Council meetings, volunteer to help with an event, participate in the wonderful, free community events... from movies or concerts, to events for the kids, to police events, or services for the military. Get out... get to know one another... and feel good about the wonderful City in which we live.

**Seniors Meet Here 2nd Thursday of Every Month** Come join us for '500' and other card games. Enjoy light refreshments and lots of great fellowship. It's all ladies now, but it does not need to stay that way. All are welcome! Call the City Building for more details.

### Easter Egg Hunt—Sat. March 27

Come to the Park at 1:00pm to get your picture with the Easter Bunny. Egg Hunt (divided ages 1 to 4, and 5 to 8) starts at 1:15. FUN FOR ALL! Bring your baskets, you won't go home empty-handed! Parents: get a free chair-massage from Better Health Chiropractic. If you able to volunteer with the egg stuffing or hiding, please call the City Bldg at 341-3017 by 3/17.

## COMMUNICATIONS

### Electronic Signs Are Here

Have you noticed the sign in front of the City Building? Look for important info on community events. We have a little work to do on the temperature reading (did anyone feel the -189° we had in February?! Burrrrr, THAT is really cold!) This sign will be used to notify you of official business, and will not be used for advertising anything other than that. If there should be a need to communicate emergency information, look to either sign for instructions.
